Class Search

Select a Class

Class Search allows you to enter search criteria to find classes to select. The results are listed by department and course number.

After selecting a class from the results, the enrollment preferences screen provides a review of the course information and, if applicable, allows you to join the online wait list if the class is full, enter a permission number, or change the grading option. Select next to add the class to your shopping cart.

Confirm Your Request

The class is now in your shopping cart. Any classes you add to your shopping cart will remain there during your enrollment period until you complete all three steps.

You can add classes one at a time to ensure that you finalize the request while the class is still available.
