Course History

Course History is a sortable report of classes taken, transferred, in progress, and planned.

You can sort the results by course, description, grade, status, term or units (credits).

Navigation

You can view your Course History from the homepage of Student Center under the other academic tab, or by clicking the My Academics Link, and then clicking Course History.

When to use Course History

When My Requirements is not available you can use Course History to review your completed requirements with your advisor.

Use Course History when you would like to view all of your grades and credits.
