## Leaving My Academics:

When navigating away from the My Academics tab using the drop down menu at the top of the page, you will see a “Save Warning” popup. You have not made any changes to your record by viewing this page, this is being addressed and we hope to have a solution soon. To continue click the no button on the popup.

The screenshot shows a web interface with a navigation bar at the top containing 'Search', 'Plan', 'Enroll', and 'My Academics'. A dropdown menu is open, showing 'Student Center' with a red box around it. Below the navigation bar, there are several sections: 'My Academics' with links for 'Academic Requirements', 'Advisors', 'Transfer Credit', 'Course History', and 'Transcript'; 'My Program' with a tree view showing 'Institution - Cornell University', 'Career - Undergraduate', 'Program - Human Ecology', and 'Major - Human Development'; and a 'Save Warning' popup. The popup contains the text 'Do you want to save your changes? Click Yes to go back and save, or No to discard your changes.' and two buttons: 'Yes' and 'No'. The 'No' button is highlighted with a red box.

We recommend navigating away from the My Academics tab using any of the other links on the page or the visible tabs rather than the drop down menu. The popup will not appear when using one of the recommended navigation techniques.
